IDENTIFYING AND PROCESSING STUDENT TRANSFERS (SB-1440)

<u>Audience</u>: Staff from community colleges and CSU's involved with processing transfer students.

<u>Description</u>: eTranscriptCA will soon support the ability to send preliminary information from CCC's to CSU's on students that are in process with an SB1440 Transfer Degree. Find out why this is important for your students and how your college can prepare to implement this feature.

1:10-2:10 Sessions

GETTING STARTED TRADING TRANSCRIPTS - PANEL DISCUSSION FOR NEW USERS

<u>Audience</u>: College implementation team members charged with exploring the "how-to" Aspects of managing electronic transcript exchange.

<u>Description</u>: Experienced trading partners and users of eTranscript California from both 2and 4-year institutions will discuss the challenges, how they resolved problems, and help answer questions form new and prospective users about trading transcripts.

1:10—2:10 Sessions (continued)

TECHNICAL IMPLEMENTATION OF ENHANCEMENTS FOR STUDENT TRANSFERS (SB-1440)

<u>Audience</u>: Technical members from colleges currently using eTranscriptCA.
<u>Description</u>: Discuss changes made to eTranscriptCA formats to meet the transcript delivery requirements of SB1440. What affect do the changes have on transcript views and delivery data formats? What changes should transcript recipients expect in their data files?

IMPORTING ETRANSCRIPTS INTO YOUR STUDENT INFORMATION / DEGREE AUDIT SYSTEM

<u>Audience</u>: eTranscriptCA users who want to automate the importing of classes on transcripts for use in their Student Information or Degree Audit Systems.

<u>Description</u>: The biggest payoff of all for electronic transcripts will be in the accuracy.

<u>Description</u>: The biggest payoff of all for electronic transcripts will be in the accuracy and time savings when we can directly import the data into our student records for posting on student transcripts, use in degree audits, and in Student Educational Plans. Come learn more about who is successfully importing, problems that have been encountered, and share your successes and concerns.
